La Empresa de Tecnología de la Información y la Automática, Unidad Empresarial de Base, (UEB) ATI. Santiago de Cuba, perteneciente al Grupo Empresarial de la Universidad Eléctrica, es la empresa encargada de prestar ...

ATI Energy Group offers best-in-class billing services through a suite of Accounting, Billing, Transactions and Utility Management software. AnCenergy is a fully automated Billing and Management software built on the Microsoft Suite of products. The ATI software platform can be integrated with most Accounting Utility and Real Estate Management ...

ATI Energy Services can reduce your energy costs by quickly determining the energy efficiency improvement projects that meet your investment criteria. An ATI Energy Survey will define economically achievable Energy Conservation Measures "ECM" and project the cost and saving potential of each ECM. ATI Energy's recommendations are specific ...

The design of certain heating systems (i.e. central systems), makes installing individual submeters either cost prohibitive or not practical. Energy Allocation Submeters have been designed to measure the Time "T", that a rated mechanical piece of equipment runs or, additionally, the Time and Temperature "TT" that a piece of equipment runs, to calculate the energy used through an ...

ATI Energy Nr 1/II, Bulevardul Pipera, Voluntari, 077190 Click to show company phone Romania : Business Details Battery Storage Yes Installation size Smaller Installations Operating Area Romania ...
