Amidst the events surrounding the loss of Her Majesty, it is easy to forget that Liz Truss made her first move as Prime Minister last week by implementing an energy pricing cap for UK consumers. An average UK household will pay no more than £2,500 a year and a £400 rebate will be issued in six, monthly instalments.

If you're thinking of applying to Cobblestone Energy, let me tell you upfront: be prepared for disappointment. You will likely face disqualification without any explanation, regardless of how well you perform in the interviews. They may keep you "on hold," but don't get your hopes up--stay tuned for the unexpected dismissal.
