

Why are the Cocos Islands called the Keeling Islands?

The territory's dual name (official since the islands' incorporation into Australia in 1955) reflects that the islands have historically been known as either the Cocos Islands or the Keeling Islands. The territory consists of two atolls made up of 27 coral islands, of which only two - West Island and Home Island - are inhabited.

How do the Cocos (Keeling) Islands communicate?

The Cocos (Keeling) Islands have access to a range of modern communication services. Digital television stations are broadcast from Western Australia via satellite. A local radio station, 6CKI - Voice of the Cocos (Keeling) Islands, is staffed by community volunteers and provides some local content.

Are there signs on Cocos Islands?

Sign boards on the island also feature Malay translations. The Cocos (Keeling) Islands consist of two flat, low-lying coral atolls with an area of 14.2 square kilometres (5.5 sq mi), 26 kilometres (16 mi) of coastline, a highest elevation of 5 metres (16 ft) and thickly covered with coconut palms and other vegetation.

What is the capital of Cocos (Keeling) Islands?

The capital of the Territory of Cocos (Keeling) Islands is West Island while the largest settlement is the village of Bantam, on Home Island. Governance of the islands is based on the Cocos (Keeling) Islands Act 1955 and depends heavily on the laws of Australia.

Who is Cocos (Keeling) Islands Shire Council?

Under the Local Government Act 1969 (WA) (CKI) Council changed title to Cocos (Keeling) Islands Shire Council and became responsible for the whole Territory and was given same powers, responsibilities and obligations as a Western Australian shire council.

What did John Clunies-Ross call the Cocos Islands?

John Clunies-Ross, who sailed there in the Borneo in 1825, called the group the Borneo Coral Isles, restricting Keeling to North Keeling, and calling South Keeling "the Cocos properly so called". The form Cocos (Keeling) Islands, attested from 1916, was made official by the Cocos Islands Act 1955 (3 & 4 Eliz. 2).

and it takes ...

El británico William Keeling descubrió el archipiélago en 1609, el cual fue nombrado Islas Keeling (Keeling Islands) en su honor. Sin embargo, las islas permanecieron desiertas durante cerca de 200 años. En el siglo XIX, John Clunies-Ross fundó la empresa Clunies-Ross que se dedicó a la explotación de los cocos del lugar. Por la abundancia de cocoteros (Cocos nucifera), las islas ...
