Why should Timor-Leste invest in Greater Sunrise?

The development of Greater Sunrise has the potential to deliver value to both the people of Timor-Leste and shareholders. The Sunrise development comprises the Sunrise and Troubadour gas and condensate fields, collectively known as Greater Sunrise.

Why did Woodside Energy start a concept select program in Timor-Leste?

Last year, Woodside Energy and its partners agreed to quickly begin a concept select program for the Greater Sunrise natural gas project off Timor-Leste, after Woodside Chief Executive Meg O'Neill said the company would reassess its long-held view that piping gas from the field to the south coast of Timor-Leste was not viable.

Is Timorese ready for Greater Sunrise?

"The Timorese government has approved a concept selection study for the project, signaling readiness to begin work on assessing various options for the Greater Sunrise fields," said in a statement, on Tuesday.

Why should you choose energise?

Energise's track record covers a wide range of sub-sectors, such as metals, food, textiles, paper, timber and more. Find your sustainability solution, whether you deliver professional, scientific and technical activities, or support services. Finance is often seen as the innovator.
