

What is the Eveready® Energy Vault solar battery?

The Eveready® Energy Vault Solar Battery is a powerful, yet affordable solution to your home energy worries. Don't be left in the dark again. Eveready is here to keep your energy running, day in and day out. Expandable from 5.1kWh to an impressive 20.4kWh, you'll have more than enough power to get through your day and night!

What is the Eveready Energy Vault?

The Eveready® Energy Vault is a modular battery system, starting at 5.1 kWh of storage, expandable to a whopping 20.4 kWh. How can I manage my battery and energy usage? The use of an energy management system can help you monitor when you're using power from your solar PV system, from the battery and from the grid.

Who is Brian Foster of Eveready Battery?

Brian M. Foster is the Vice President and Division General Counsel of Eveready Battery. His contact information is: 533 Maryville University Drive, St. Louis, MO 63141, Phone: (314) 985-2158, Fax: (314) 985-2223, Email: brianm.foster@energizer.com

Can I expand the Eveready® Energy Vault?

The ability to expand the Eveready® Energy Vault from 5.1 kWh to 20.4 kWh gives you the option to grow your storage needs to suit your home's usage. On some occasions accessories may be needed to be connected to ensure compatibility of the solar PV and battery systems, however no modifications are required to the current system.
