

Typical applications include telecommunication, industrial UPS, utilities, industry, railways and Oil & Gas applications. ... All these outstanding features add up to a longer life product with lower maintenance costs. Like all FIAMM lead-acid batteries, the LM range is eco-friendly and fully recyclable at the end of life. Technologies ...

FIAMM Energy Technology is a multinational company engaged in the production and distribution of batteries and accumulators for motor vehicles and for industrial use born following the separation from FIAMM Group of the business of automotive batteries and industrial batteries with lead-acid technology. To be closer to the needs of customers ...

This industrial battery has a wide range of applications and can be charged and discharged many times. The FGL range is designed around AGM VRLA technology with the exterior casing made in ABS plastic, fully recyclable, non-spillable and maintenance-free. ... Headquarters FIAMM Energy Technology S.p.A. Viale Europa, 75 36075 Montecchio Maggiore ...

fiamm fat range use agm (absorbed glass mat) technology. the electrolyte is absorbed in fiberglass separators with 99% internal gas recombination efficiency. blocs are grants non-spillable and maintenance free therefore requires no topping up of electrolyte during its whole life. low self-discharge allows 6 months shelf life. battery type ...

Expert battery advice at Secure Power. FIAMM 2SLA340L VRLA Battery (2V 340Ah). A battery with a design life of 12 years or more in a flame-retardant ABS casing. ... FIAMM is a leading global manufacturer of industrial batteries and offers a wide selection of products designed to ensure a continuous power supply for a variety of applications.

FIAMM Industrial Batteries FIAMM AGM Valve Regulated Recom This document and any confidential informa FIAMM. FIAMM reserves the right to change 1 OPERATING C Capacity and final discharge vo Battery capacity is rated in Ampe discharging rate of 20 hours to 1. FIAMM FLX Series batteries can vice versa. Internal resistance and short ci

FIAMM Reserve Power Solutions is an internationally recognised leader in the development and supply of a wide range of industrial batteries and energy storage systems. We design and manufacture backup power solutions to guarantee the continuity of the energy supply to the critical applications when the main power is cut off.

Expert battery advice at Secure Power. FIAMM 2SLA2000 VRLA Battery (2V 2000Ah). A battery with a design life of 12 years or more in a flame-retardant ABS casing. ... FIAMM is a leading global manufacturer of industrial batteries and offers a wide selection of products designed to ensure a continuous power supply for a variety of applications.
