

Does Fiji have a good energy supply?

Like for many other SIDS Fiji's geographical situation means that affordable and accessible energy supply is a challenge. The Island state depends heavily on imported fossil fuel to meet its energy needs, nevertheless, renewable energy sources, mainly hydro, account for 55% of the country's total energy production.

Does Fiji have electricity?

The rest of the islands in Fiji are electrified through diesel generator sets, micro hydro systems or generators running on biofuel. The electrification of the off-grid population comes under Fiji Department of Energy (FDoE). . Selected PICs' demography and energy data. The access to electricity in Fijian households is not 100 %.

What is the energy situation in Fiji?

It is a small island developing state (SIDS) that is heavily dependent on imported fossil fuel for its energy needs. The paper attempts to determine the past and current energy situation in Fiji, challenges faced and strategies to overcome these challenges. In 2014, Fiji generated 859 GWh of grid electricity from 259.8 MW of power plants.

What is Fiji's national energy policy 2023-2030?

Fiji's National Energy Policy 2023-2030 is the blueprint towards a highly sustainable, inclusive, reliable, and affordable energy services sector by the close of the decade. It sets a strong policy foundation for the transformational investments that are urgently needed to revolutionise our energy sector for the better.

Where does Fiji's Electricity come from?

In 2014, 55% of Fiji's electricity was generated using renewable energy resources, making it the island state in the entire Pacific with the lowest oil dependency. In fact, on several of Fiji's larger islands 60% of electricity comes from hydropower and biomass.

What is Fiji's Energy Trilemma?

As is the case in most national contexts, the oversight of Fiji's energy sector is defined by the 'energy trilemma' which requires continual efforts to balance the challenges of energy security, energy sustainability, and energy access/equity.
