Gibraltar, auch bekannt unter dem Namen "The Rock" wegen seines fast 5 Kilometer langen Bergr#252;ckens aus Kalkstein welcher die Sicht beherrscht (und den Gro?teil des Landes einnimmt), ist britisches Territoire am S#252;dzipfel Spaniens. W#228;hrend dieser Ort vor allem f#252;r seine fotogenen Affen bekannt ist, bietet Gibraltar ausserdem eine unschlagbare ...

The scheme applies to large undertakings and groups containing large undertakings in Gibraltar. These assessments are audits of the energy used by their buildings, industrial processes and transport to identify cost effective energy saving measures. The administrative body for this scheme is the Department of the Environment and Climate Change.

Gibraltar Electricity Authority is an agency under the Government of Gibraltar responsible for regulating the Gibraltar electricity market. The authority was created on 28 March 2003 under the Gibraltar Electricity Authority Act 2003. Its responsibility is to generate, distribute and supply electricity to the civilian population of Gibraltar.

Thumbs up DMC gave me the best advice even after purchasing from another company. They sought no compensation or business. I rang a week later after cancelling with another company to have an appointment with a rep. Got the best info and received professional service from the staff and the installers were second to none, immaculate installation ...

INFORMATION ABOUT YOUR DMC Energy ACCOUNT Creating a DMC Energy Account Account opening. You must create and maintain a DMC Energy Account in order to access the DMC Energy Services and the Platform. This may be a DMC Energy Account for an individual user, or a Corporate DMC Energy Account where the user is a corporation, entity or other ...

Until recently, Gibraltar's energy needs were 100% powered by marine diesel - so, a better solution was urgently needed - one that switches from diesel to cleaner liquefied natural gas (LNG). The location of the new power station is on the North Mole in Gibraltar Harbor, an advanced arrangement of a gas-fired power station with an LNG hub ...
