

How long is the warranty period for JA Solar's photovoltaic panels

How long does JA Solar warranty last?

JA Solar warrants that the MODULES together with the factory-assembled DC connectors and cables are free from any defects in materials and workmanship under normal application, usage, installation and service conditions for a period of one hundred and forty four (144) months from the Warranty Commencement Date.

How long do solar panels last?

Workmanship and materials warranty of one or two years. Batteries (non-grid systems / hybrids) roughly 5-15 years. Inverter (s) warranty of between 5-10 years. There are many factors that must be borne in mind when considering warranties for your solar panel system.

What is a solar panel warranty?

Solar panel warranties vary by manufacturer and type of panel. A standard solar panel warranty should come with at least 10 years of protection. Solar panel warranties typically won't reimburse for labor costs associated with installing new equipment or shipping fees for new equipment.

How long does a power supply warranty last?

Manufacturers offer warranties of varying lengths. On average these consist of: 10-year limited product warranty (materials and labour). 25-year limited power warranty (typically 10 years at 90% power output and 25 years at 80% power output). Workmanship and materials warranty of one or two years.

Does a solar panel warranty cover labor costs?

Solar panel warranties typically won't reimburse for labor costs associated with installing new equipment or shipping fees for new equipment. Comparisons should focus on product warranty terms, power guarantees, labor warranty terms, transferability and bankability, and the availability of an extended warranty.

What factors determine a solar panel warranty?

The warranty factors include: The number of years the warranty covers the integrity of the equipment. We assessed and scored every company across each weighted factor and then added the individual factor scores to determine the company's overall score. The higher the score, the better the warranty.
