

Product Specification of Chargeable Li-MnO₂ Battery produced by Huizhou Markyn New Energy Co., LTD..
! " # \$ % & " & () 2 scription ?? 2.1Model:CP505050 CP505050 2.2AssemblyWay ????? single cell the
inflexed fold and solder 1S1P 3.Specification ?????: 3.1Assembledcellparameters ??????????: No. Item Spec ...

Huizhou Markyn New Energy Co., Ltd. | LinkedIn ??? 372? | Quality lipo batteries with touching prices and
quaity battery packs with striving solutions | GMB producing small, free-shapped lipo batteries and soft
pouched Li/MnO₂ batteries, assemble battery packs for slow-speed EV(including E-bikes, E-scooters),
solar-system, and digital products, together with a ...

Consulte o perfil de registo da Huizhou Markyn New Energy Co., Ltd, a oferta de produtos e serviços,
notícias, informações de contacto e muito mais. Fornecedor verificado no Global Sources.

Huizhou Markyn New Energy Co., Ltd. is the biggest manufacturer of specialized lithium polymer batteries
and primary lipo batteries (soft-package non-rechargeable Li/MnO₂ batteries), and ...

Huizhou Markyn New Energy Co., Ltd. | LinkedIn???????374??Quality lipo batteries with touching prices and
quaity battery packs with striving solutions | GMB producing small, free-shapped lipo batteries and soft
pouched Li/MnO₂ batteries, assemble battery packs for slow-speed EV(including E-bikes, E-scooters),
solar-system, and digital products, together with a ...

Since 1999, Huizhou Markyn New Energy Co., Ltd.has committed itself to production of high quality, unique
and differentiated lithium batteries and battery packs. Our clients include ...

Applicant Huizhou Markyn New Energy Co., Ltd Manufacturer Huizhou Markyn New Energy Co., Ltd
Nominal Voltage 3.7v Rated Capacity 250 mAh Limited Charge Voltage 4.2V Charge Current 250 mA
Maximum Continuous Current 250 mA End Charge Current 250mA Cut-off Voltage 3.0V Maximum
Discharge Current 250 mA Use Digital Production Cells Number 1PCS Cell ...

With preliminary investment capital 30 million RMB, Huizhou Markyn New Energy Co. Ltd is a specialized
battery manufacturer. Our main production base is located at Yuanzhou, the west ...
