Energy drinks contain large amounts of caffeine and sugar, which boost your adrenaline, dopamine, and insulin levels, so when the caffeine and sugar leave your body, your hormone levels normalize, and this causes the fatigue known as the crash. Our products have 0 Sugar.

NSN: 8970-01-530-1219. Recommended Safe & Effective By The Committee On Military Nutrition Research \*Neither the National Academy of Sciences nor The Institute of Medicine has approved or endorsed any product distributed by our firm.

First Energy Gum begon met een simpele maar krachtige ambitie: het bieden van een snellere, gezondere manier om energie te krijgen, waar en wanneer dat nodig is. De oprichters, Michael, Wim en Mark, liepen zelf tegen het probleem aan van traditionele energieopties zoals koffie en energiedrankjes. Ze waren vaak onhandig, duur, en vol suiker of andere ongezonde ...
