Volta Energy Solutions Hungary pursues "The Copper Mark" award - The "Copper Mark" is the leading assurance framework to promote responsible practices across the copper industry that considers the environmental, social and governance issues, from mining to processing, in the copper industry. - CEO Kwak Keun-man said, "We will prove that our ...

Volta Energy offers the total solution in mobile energy supply. If parties need mobile energy at locations where there are insufficient grid connections for their power needs, they currently often rent a diesel generator. We offer customers from the construction, festival and event market the opportunity to generate sustainable off-grid energy.

Voltra Energy is a renewable energy solution provider with a core focus on solar energy aimed at providing the ideal and affordable installation, sales and maintenance services for clients who seek to go the solar way.

This week, we sat down with Yann Vaudin, the founder of VOLTRA e-motorcycles. VOLTRA is a pioneer in the e-moto industry, the first Cambodian e-motorcycle brand in Cambodia. Yann makes it a priority to keep the company local - when he retires he wants the company to have an all-Cambodian staff. Since breaking into the market in 2014, Yann ...
