countries could refine materials for lithium battery production and export to the US and EU. Refining could be in countries that are currently mining raw materials required for battery cell ...

Madagascar is the largest island state in Africa and the fourth largest island in the world. With the equivalent of 440 US dollars a year<sup>1</sup>, the annual gross national income per capita is far below the average of the other African states south of the Sahara. Only about 15% of the Madagascan have an electricity connection, in the rural areas less than one out of ten persons<sup>2</sup>.

To date, most countries and regions around the world still live in a world without electricity, and Madagascar, the largest island nation in Africa, is one of them. Lack of access to adequate ...

Founded in the year 1976, by Mr. Ibrahim Sharaf & Mr. Sharafuddin Sharaf, Sharaf Shipping Agency (SSA), has grown into the largest shipping house in the Middle East region.
