Welcome to ESS ESS Malawi Today, we will talk about Afridev hand pump spare parts which are required during the basic rehabilitation process. There are two type of rehabilitations i.e one is minor and other is major. if you look after your borehole and keep inspecting from area mechanic after every 6 months then we call it Minor Rehabilitation.

The efforts to mitigate these problems has spawned an entirely new EV-specific field and given birth to Panasonic Electronic Sound Synthesis (ESS). Working with our OEM EV partners, we employ sensor fusion technology deployed in on-board systems that synthesize a variety of sounds that provide drivers with audible feedback in response to ...
