Saint Helena is a tiny, wonderful island, a volcanic peak jutting out of the South Atlantic, quite literally in the middle of nowhere. A welcoming island, where people wave, say hello, and have time to chat. A place with something for everyone, from history to hiking, birding to boat trips, diving, snorkeling, whale sharks, and more. ...

St Helena Airport. In April 2005 the British Government announced plans to construct an airport on St Helena to bolster the Island's economy, and reduce the dependence on ships to supply the Island, the airport to open in 2012. However in December 2008 the UK announced that there will be a pause in negotiations over the St Helena airport contract. The pause ended on 22nd July ...

To those participating in the comments, due to the company or person mentioned in the title, this is a reminder of the subreddit rule: Crusading is not welcomed here - If your sole or majority participation is to promote or shit on one company in particular (or the person behind it), it may result in a ban. These kinds of participants too often resort to hyperbolic comments and ...
