Bhatia Brothers. Bhatia Brothers offers solar (photovoltaic) and solar water heating solutions for residential use.

The idea that clicked me is that of small "solar panels" or "solar chargers" like the type to charge batteries of cell phones, laptops, iPad etc. I was wondering if somebody knows any good locations in Doha or anywhere in Qatar from where I can buy such "solar stuff". Would really appreciate useful responses. Regards

Solar Panels A solar panel in qatar is a flat construction resembling a window, built with technology that allows it to passively harvest the heat of the sun or create electricity from its energy through photovoltaics .
