Vision: Making technology work for the Isle of Man government. Our vision is simple - to make technology work for the Isle of Man Government. That means making sure that information across the whole of Government is secure and easy to access. Our Principles. Thinking Digitally; Working together; Learning intelligently

No man is an island, entire of itself; every man is a piece of the continent, a part of the main. If a clod be washed away by the sea, Europe is the less, as well as if promontory were, as well as if a manor of thy friend's or of thine own were. ... How manage inventory discrepancies due to measurement errors in warehouse management systems ...

deliver care within the Isle of Man health and care system. Section 2. Current Costs and Models of Care This Section looks at the growth in funding of health and care on the Isle of Man over recent years. It notes that budgets have tended to be overspent, predominantly due to overruns at Nobles Hospital. If

Book 8 Chapter 1 of "A History of the Isle of Man" by A.W.Moore. History of IoM, 1900] CHAPTER I AGRICULTURE. IT is clear, both from the description of the Manx land system already given 1 and from the

particulars which follow, that Manx agriculture, till a comparatively recent period, must have been of a very primitive kind. The land, for the most part, lay open for about half the ...
