

Rural free photovoltaic panel installation scam

Is going solar a scam?

It's likely a scam. While there are some government-funded solar programs for households that qualify, "going solar" isn't free. Honest businesses will tell you exactly how much it'll cost to get and install solar panels. Here's how to steer clear of the scams: Do some research.

Are 'free solar panel health checks' a scam?

We're regularly contacted by customers, who have received an unsolicited call or letter from another company, offering them a 'free solar panel health check' or warning about their solar PV system being at risk of failing. This is a common scam.

Should you apply for a solar panel grant?

By applying for a solar panel grant, you could receive heavily discounted or even free solar panels, resulting in annual energy bill savings upwards of £1,040. We recently conducted a survey of over 1,540 Independent readers who own solar panels* to understand how they made the most of the solar panel funding available to them.

Can you get free solar panels on a roof?

Companies offered to pay to lease your roof from you for 20-25 years and, in exchange, would install and maintain solar PV panels on it. You didn't have to pay upfront for the panels, and would also benefit from the free electricity produced by the system. But there are very few free solar panel schemes available now.

Are 'fake' solar companies a scam?

Beware of any company asking you to make a big deposit before they have completed their installation. This is one of the most common ways 'fake' solar companies have targeted consumers - whereby they take a hefty deposit and then never turn up to carry out the installation. This is common solar scam.

Are there free solar panels in the UK?

Let's outline the current state of solar panel funding in the UK... In short, there is largely no such thing as "free solar panels" in terms of government grants that will cover 100% of the installation costs. You can earn money from your solar panels via the Smart Export Guarantee.
