Saint Helena bee bee jump solar price inia

The design of the Saint Helena fixed-mintage 2 oz Napoleonic bee silver coin. The coin's reverse showcases its namesake, the French honeybee, front and center. Napoleon's bee is surrounded by a garland of laurels, those ancient symbols of victory to remind us of the seventy battles Napoleon personally commanded (and lost only seven).

In "St Helena and Ascension: a Natural History" {1} by Philip and Myrtle Ashmole we read that here may have been introductions in 1824, 1868, 1869 (as above), 1878 and as recently as September 1949, though this latter may have been new genes to improve the stock rather than a true introduction. An analysis conducted by a Professor Joe Waddington in 2011 found that ...
