

We combine an intelligent network of nearly 70 satellites operating in two different orbits, ground infrastructure, and deep industry expertise to be able to deliver video and data services to 99% of the world's population.. For almost 40 years, we have relied on sustainable innovation as we connect businesses, communities and government institutions, and seamlessly deliver linear ...

Executive Summary. During the period under review, The Gambia has experienced two significant developments. One of these is the ongoing, albeit uneven, consolidation of democratic gains resulting from the transition away from Yahya Jammeh's autocratic rule, which ended in early 2017, to the democratically elected Adama Barrow (who ...

At SES, we are united by our purpose: to do the extraordinary in space, so that we can deliver amazing experiences everywhere on Earth. To ensure we move toward our destination, we use a common point of orientation--our very own North Star. This SES sky marker guides our decisions and behaviours.

Economic indicators GDP: US\$752mn in 2011 -predicted rise to \$941mn by 2015 GDP growth: 3.3% in 2011 -predicted annual growth average of 5.9% between 2012-2015 Country risk: Lower risk level (yellow) than all neighbouring countries and in the same category as Sierra Leone, Ghana, Togo and Benin CPI Inflation (2011): 4.4% Exports / Imports value (2011) : - Exports: ...

Delivering connectivity and being connected to our roots is important to SES. Together with another Betzdorf-based organisation, Institut St Joseph (group elisabeth) and supported by the Municipality of Betzdorf, we worked with a Luxembourg-based artist Alexandra McKell to create a mural art that brings across our joint beliefs of building a connected and inclusive world.

The Gambia, officially the Republic of the Gambia, is a country in West Africa. It is surrounded by Senegal, apart from a short strip of Atlantic coastline at its western end. It is the smallest country on mainland Africa. The Gambia has a liberal, market-based economy characterised by traditional subsistence agriculture, a historic reliance on groundnuts (peanuts) for export earnings, ...
