

June 20, 2017: Castries, Saint Lucia: Today representatives from St. Lucia Electricity Services Limited (LUCELEC) and solar energy firm GRUPOTEC signed a contract to begin the engineering, procurement, and construction for a 3 megawatt (MW) solar farm, located north of the Hewanorra International Airport at La Tourney, Vieux Fort.

It also carries solar technologies for hot water and pool panel systems. The company's team is also available to install solar power systems in commercial establishments throughout the community. Solar Elite is a family-owned and family-operated company, bringing more than two decades of experience in the field.

Continued from "10MW solar farm to be built in Barbados" In 2016 Barbados welcomed its first utility scale solar farm at the north of the island in Trents, St. Lucy. On June 11th, 2016 it was first connected to the grid and after a month of commissioning and testing, it officially began commercial operation in ...
