

# Whether to get a loan for installing photovoltaic panels

Can I get funding for a solar PV system?

Funding for solar PV systems is only available if applied as part of a package that includes a heat pump, solar PV, and an energy storage system. You can get a maximum funding amount of up to £6,000 to install solar panels, which includes a grant of £1,250 plus an optional loan of £4,750.

Should you apply for a solar panel grant?

By applying for a solar panel grant, you could receive heavily discounted or even free solar panels, resulting in annual energy bill savings upwards of £1,040. We recently conducted a survey of over 1,540 Independent readers who own solar panels\* to understand how they made the most of the solar panel funding available to them.

What if I don't qualify for a solar panel grant?

If you don't qualify for any solar panel grants, there's another way to start benefiting from solar electricity with no upfront cost. Sunsave Plus, the UK's first solar subscription, will provide you with best-in-class kit, all in one easy solar & battery package that comes with a 20-year Sunsave Guarantee.

Are solar panels a good investment?

If you want to benefit from solar panels, but can't pay thousands of pounds upfront for them, there are options available to you. Solar panel grants, financing schemes, loans, and discounts are available that could help you make a green investment in your home.

Why should you consider solar panel financing?

Exploring solar panel financing is key to enjoying the benefits of renewable energy without incurring the high initial costs of solar setup. Also, homes with solar panels are perceived as more valuable which could help if you decide to sell your home in the future.

How do I get a solar panel loan?

Most solar panel loan providers simply require you to fill in an online application. If you fulfil the company's initial requirements, you'll just need to choose the amount of time you want your loan to last for - usually three to 10 years - and complete a credit application.
