Zonergy Portable Solar Power Station Uses Solar Energy Efficiently, These stations combine the convenience of portable power with solar's clean and renewable energy. Featuring built-in solar panels and battery storage, our portable solar power stations allow us to capture sunlight and store it for later use.

Ao escolher a Zonergy como seu fornecedor de equipamento de energia solar, pode ter a certeza de receber produtos da mais elevada qualidade, um servi&#231;o de apoio ao cliente excepcional e solu&#231;&#245;es de ponta adaptadas &#224;s suas necessidades espec&#237;ficas. Experimente o poder da energia solar com a Zonergy hoje mesmo.

At Zonergy, we are committed to delivering high-quality photovoltaic modules, solar panel kits, and custom solar panel solutions that meet your factory's unique energy requirements. With our expertise, reliable products, and exceptional customer service, we hope to be your trusted partner in achieving energy independence and sustainability.

The 1.27 MW solar photovoltaic power station installed in Hi-tech Park in Nanshan, Shenzhen is a National Golden Sun Demonstration project invested and built by Zonergy. The project has an effective installation area of 16,263 square meters and an annual average power generation of 1,453,400 kWh.

Zonergy is a leading solar energy equipment supplier with innovative, high-efficiency products for residential and commercial customers. With over a decade of experience in the industry, we understand the importance of delivering high-quality products and services that are both cost-effective and reliable.

On October 10 th, the Second China-Africa Energy Cooperation Project Promotion Conference with the theme of "Lighting up the Future, creating a New Era of China-Africa Energy Cooperation" was grandly held in Beijing, hosted by "China Hydropower and Water Resources Planning and Design Institute" and the "African Union Representative Office in China".
